Team Nerdvana
Milestone Five ⇒ Class Project Retrospective

What went well?

➜ Communication with one another went well.

➜ Deadlines were met.

➜ Documentation came together nice, we're all awesome.

➜ Pretty well organized as a group.

➜ Project vision is more well developed, we all know what the project is going to look like.

What could have gone better?

➜ Start a little sooner, better time management.

➜ Could have thought about user story a lot more.

➜ Styling of the view (athlete index) could've been better.

Recommendation(s) for next sprint?

➜ Start earlier.

➜ Keep the team project in the same git directory for the duration of the entire project.
